About Sterfic

A Reassuring Choice for Our Family’s Use.

Sterling Pacific is a wooden cabinet wholesaler in California, offers a wide range of premium framed cabinets.

Our strong supply chain and CARB2-certified products ensure environmental safety and exceptional quality. Through the utilization of superior materials, advanced technology, and innovative design, along with our experienced workers, adherence to SOP production guidelines and inspection standards, and the implementation of the German Homag production line, we ensure consistent delivery of cabinets that embody unmatched excellence.

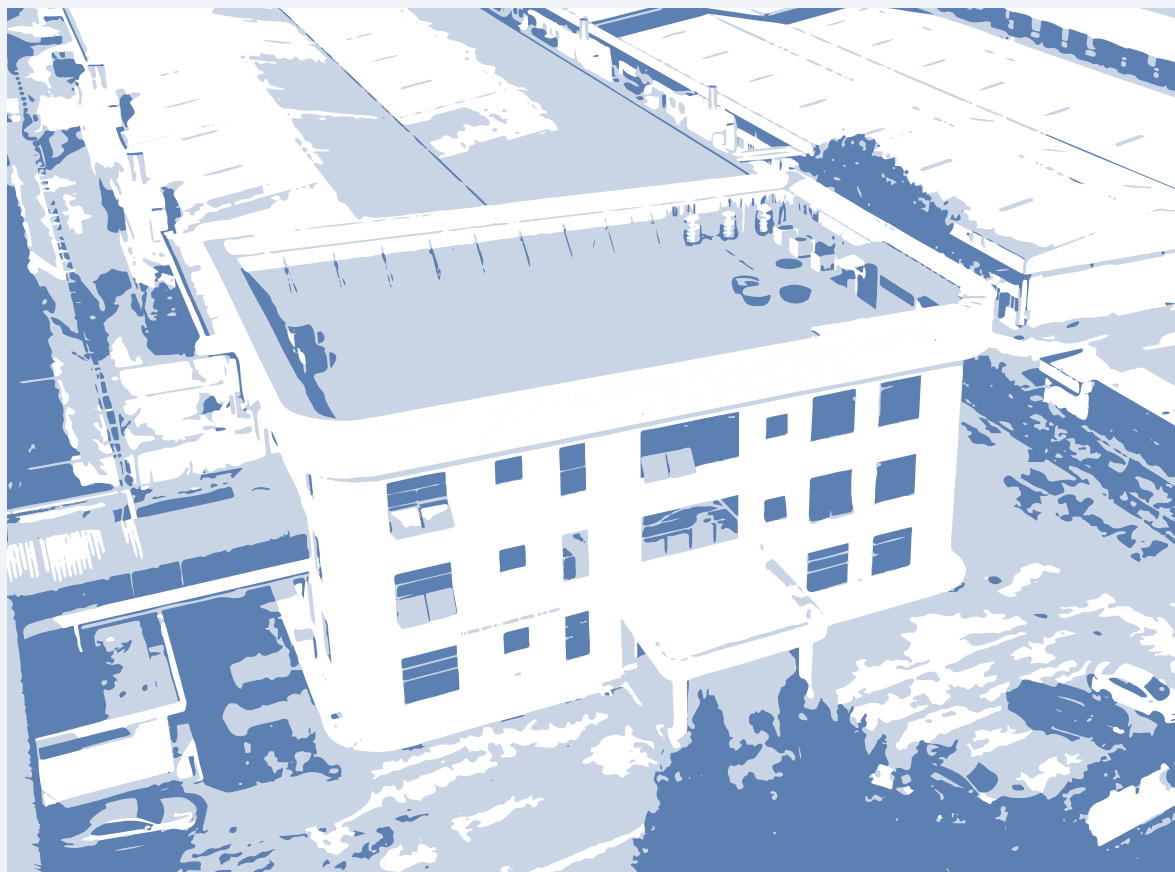

We are proud to be a CARB2 Certified kitchen cabinet manufacturer. Our cabinets meet the stringent standards set by the California Code of Regulations for composite wood products, and are fully compliant with the national requirements enforced by the EPA.
